MOTION GRANTED.

PER CURIAM

Petitioner Bryan Johnson filed both a motion and an amended motion for belated appeal in this court on March 23, 2007. In the motion and amended motion he sought leave to proceed with an appeal from an amended judgment entered in his criminal cases on March 6, 2006, and an order entered on October 13, 2006, that denied a pleading characterized by petitioner as both as a post-trial motion pursuant to Ark. R. Crim. P. 33.3, and a petition for postconviction relief pursuant to Ark. R. Crim. P. 37.1.

On May 4, 2007, petitioner filed the motion now before us to withdraw the request to proceed with a belated appeal. The motion bears petitioner's notarized signature.

The motion is granted.
